

# AUTOWob 5000

**IN LINE and FULLY AUTOMATIC WIRE-O® BINDING. . . , what else !**

**This automatic and modular machine features a concentrate of innovative solutions to satisfy the requirements in terms of quality, versatility, flexibility, and productivity for On Demand Wire-O® bound document finishing applications.**

**Wire insertion is fully automatic. Like for the Wob 3500, it does not require any closing tool and all size and format adjustments are controlled by a tactile keyboard.**

**Upgradeable, it is made of "plug & play" modular elements which from a central Wire-O® automatic closing element will allow to turn this machine into a mini "on line solution" with a feeding station and a reception conveyor.**
