

Wire-O® Bind 3500

HIGH SPEED BINDING MACHINE

ACCURATE WIRE-O® DOCUMENT FINISHER FOR ON DEMAND APPLICATIONS

A simple plug and play hanger feeder unit can be fitted on the WOB 3500

At 500-1000 books per hour, the semi-automatic **WIRE-O® BIND 3500** is fast, yet simple to operate with all size and formats steps instantly adjustable by user-friendly "touch screen" electronic controls.

The versatile **WIRE-O® BIND 3500** is designed to work alongside the highly successful Alpha-Doc® and Docu-Punch® automatic punching machines, accurately finishing a wide variety of documents, including oversize covers and tabbed sheets, for all Wire-O® sizes up to 1-1/4". Together, they are the perfect high speed Wire-O® finishing solution for today's modern in-plant, digital and « on demand » printing environments, where ease of use, versatility and productivity are a must.
